## TELL US YOUR STORY ... *Visually!*

The topic for our online collaboration is the idea of a visual story. Share your visual story on an 8½" × 11" (21.6 × 27.9 cm) surface of your choosing. The use of text is completely optional, so you can use words or leave them off altogether. Your story can be a small take, a grand story, a day's events, a gothic romance, a mystery, a fairy tale, a biography, a parable, an allegory, the results of a night of dreaming—a story of any shape or size, as long as it fits onto your 8½" × 11" (21.6 × 27.9 cm) surface! Scan or photograph your image and post it to our flickr group.
